If you would like to learn more about Hope Restorations, Inc., to volunteer or make donations, please feel free to contact us.

The purpose of Hope Restorations, Inc. is to provide paid employment, training, and other support to adults recovering from addictions or incarceration. The work we provide involves acquiring deteriorating houses in our community and renovating them to more modern standards in order to provide safe, affordable, energy-efficient housing for lower-income families.

IMPACT

“We want to facilitate a positive and permanent improvement in the economic stability, economic mobility and sense of community for all.”

Hope Restorations, Inc.

THEORY OF CHANGE

“We believe that all people are of sacred worth and have innate gifts to cultivate and share. We therefore believe that our neighbors will flourish if they are provided with viable resources, opportunities, encouragement, and support.”

Hope Restorations, Inc.
